The Government has extended the implementation of the **Conditional Movement Control Order** (“CMCO”) that will take effect from **9 November – 6 December 2020**.

CMCO allows Jing An Memorial Village Sdn Bhd (JAMV) to continue operations, subject to Standard Operating Procedures (“SOPs”) established by *Majlis Keselamatan Negara* (“MKN”).

All visitors, wake attendees and service providers shall observe MKN’s SOPs and in particular in regards to temperature screenings, contact information via MySejahtera app, compliance to physical distancing rules, and use of face masks. Service providers shall provide hand sanitisers during services for the convenience of family members and wake attendees.

In compliance with the CMCO and to MKN’s SOPs, and in observance of good practise during these times, Service Providers are to **TAKE NOTICE** of the following:

1. Families to be advised to keep the wake services “low-key” and restricted to no more than 20 persons at any time (including Sifus and service team) to avoid group clustering that makes it difficult for physical distancing rules to be observed.
2. Family members and guests above the age of 70 years old and children below 12 years old are not allowed to attend wake services and funeral processions
3. Prayers during wake services should be kept as simple and as brief as possible.
4. Limited tables and chairs will be provided and seating arrangements shall comply with MKN’s SOPs.
5. Operational hours are from 8am to 8pm.
6. Light refreshments are allowed
7. Music band will be prohibited during funeral processions.

This Notice is based on current available information and may be revised as new information becomes available or conditions are changed. JAMV will prescribe and comply with any other restrictions or prohibitions that may be imposed by Government that may be announced at any time, to take effect immediately, without notice. JAMV also reserves the right to enforce any additional restrictions, including imposing penalties and/or suspension of future services if service providers fail to comply with the prescribed SOPs.

We wish to apologize in advance for any inconveniences you may experience during this period of operational restrictions and request your kind understanding and cooperation.

Help us create a safe space for JAMV and our community

Thank you.
